

The background features a dark blue gradient with technical graphics on the left, including concentric circles, dashed lines, and numerical scales (40, 150, 160, 170, 180, 200, 210, 220, 230, 240, 250, 260). At the bottom, there is a silhouette of a mountain range.

ASA - ADMINISTRAÇÃO DE SISTEMAS ABERTOS

IMPLEMENTAÇÃO DE SERVIDOR WEB

TECNOLOGIA GLOBAL

O que fazer:

- Repositório público no github (asa-web)
- Dockerfile (Definição da imagem do container)
- Página HTML personalizada
- Script de criação do container (shell)
- Apresentação em PPT

REPOSITÓRIO:

HTTPS://GITHUB.COM/ARISTEU-DANTAS/ASA-WEB

asa-web Public

README

Open Systems Administration Activity (ASA) - Web server implementation

What to do:

Public repository on github (asa-web) Dockerfile (Container image definition) Custom HTML page Container creation script (shell) PPT presentation

What to deliver:

Complete repository (Github) Presentation (PDF)

```

The background is a gradient of deep purple and blue, filled with numerous out-of-focus circular light spots (bokeh) in various shades. Overlaid on the left side are several faint, white geometric patterns, including concentric circles, arcs, and a large circular scale with numerical markings from 140 to 260. Some of these patterns have small arrows indicating a clockwise direction.

AGRADECIMENTO!
